Gen. Twining Joins Growing Support For Gen. Brown

All Say "Jewish Lobby Is Draining U.S. To Aid Israel!"

Scuttling National Defense

SPEND TAX MONEY FOR DEFENSE OR WELFARE?

One might think that this is a foolish question but today it is an event which is actually becoming a reality. A study conducted by Mr. C. W. Borklund and published in "Government Executive" reveals that defense spending is steadily being pushed into the background and greater emphasis is being placed on welfare handouts.

During the 1950's half of this country's research and development was defense related. Today this is down to only about 25 per cent. Defense spending is only 5.9 per cent of the Gross National Product. (G.N.P.) Defense related employment comprises only 5.3 per cent of today's labor force, compared to 7.9 per cent 10 years ago.

On the other hand social and welfare programs already take up more than 25 per cent of the GNP and this lavish dissipation of the nation's wealth is consuming our productivity at a growing rate of 13 per cent a year. Expenditures in the non-defense area have skyrocketed from $72.8 billion in 1968 to a staggering $194.6 billion by 1976.

Many were shocked when the Kennedy and Houston space centers were cut back to skeleton staffs because the government decided that the money was needed for welfare instead.

One can easily see how the ever expanding low I.Q. and unproductive minorities in our midst are draining America of vitally needed resources which we need to maintain and expand our civilization. With 12 million illegal non-White im-

GEN. M. B. TWINING BACKS GEN. BROWN OPPOSES JEW INFLUENCE OVER AMERICA

America's military and political leaders are still discussing the statements made by Gen. George S. Brown, Chairman of the U.S. Joint Chiefs of Staff. Gen. Brown is America's top military chief, he is in charge of the Army, Navy, Air Force and Marines. It was on Oct. 10th that Gen. Brown addressed the Duke University Law School in Durham, N.C. In part Gen. Brown said:

"Jewish influence (and Jewish) lobby is so strong you wouldn't believe it. They (Jews) own the banks, the newspapers. Just look at where the money is."

The highly organized Jewish community in America demanded that Gen. Brown be fired. He is still on the job despite the fact that both Secretary of State Henry Kissinger is a Jew as is our Secretary of Defense, James Schlesinger. A great many of the nation's military leaders agree with Gen. Brown as well as many political leaders such as Sen. Charles Percy who recently spoke out right in line with Gen. Brown's comments.

RESPECTED MILITARY LEADERS BACK GEN. BROWN

Gen. M. B. Twining was Commander of the U.S. Air Force at the end of World War II and during the Korean War. He has many friends in high placesin the U.S. military complex and fully supports the views of Gen. Brown. Gen. Twining now lives in Fallbrook, Calif., and issued the following statement which was printed **in only one daily newspaper in America.** That publication is *"The San Diego Union."*

Gen. M. B. Twining stated:

"A group of powerful United States Jews have grotesquely distorted U.S. foreign policy in blindly fanatic support of Israel, and General Brown deserves praise, not criticism, for saying so.

"As head of our nation's armed forces he sees us, a nation of 200 million people, being dragooned into a disastrous war with Russia by a ruthless lobby of Jewish-American extremists single mindedly bent on enforcing their rule or ruin policy in the Middle East.

"To airily dismiss as anti-semitic those who protest the impending destruction of our own country and people is a dishonest avoidance of the fact that we Americans are no longer masters in our own house."

ISRAEL WANTS MORE AND MORE MONEY!

In recent weeks the daily press has announced that Israel has demanded $2.59 billion in aid, (as free grants), during 1975. Evans-Novak columnists report that *"Israel flew their Ambassador to the U.S., Simcha Dinitz directly to New York City, not to Washington, for private meetings with key figures in the American-Jewish community."*

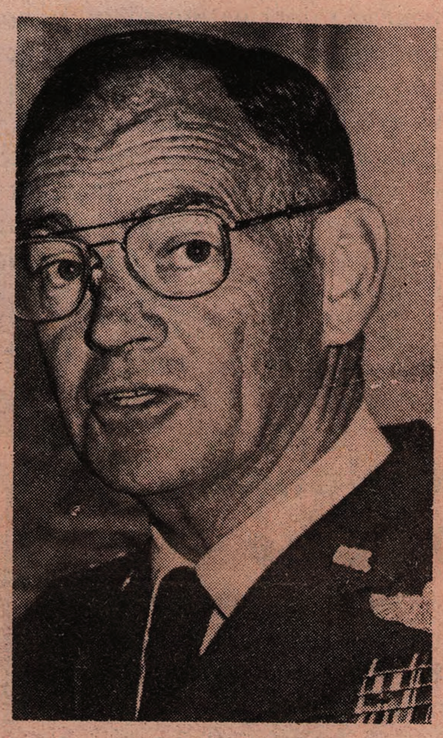
Evans-Novak described this as an *"end-run around the White House to Congress via the potent pro-Israel U.S. lobby."*

In other words the nationwide Zionist political machine is being geared-up for action again to extort every dollar possible out of this country, despite the fact that recent polls show 74% of the American people are against more military aid to Israel, and most of our military leaders feel thesameway! Even Sen. Charles Percy finally got so fed up with the demands of the Jews that he stated on Jan. 25;

"There are limits to the level of support we'd go to support Israel's West Bank. There are limits to the level of support we'd go to support Israel's occupation of Arab lands. Israel should not count on always having 70 senators and automatic approval of negotiatons. That's past."

Leaders of the Jewish lobby have gone straight to Sen. Henry Jackson whom they refer to as their most "loyal Goy." (In Yiddish "Goy" is a derogatory term for "subservient stooge.")

Gen. M. B. Twining, famous highly-decorated U.S. Air Force Commander, backs Gen. Brown.



Gen. George S. Brown, Chairman, U.S. Joint Chiefs of Staff. Our top military leader says Jews wield too much influence in Washington.

Sen. Henry Jackson has assured the Jewish community that he can force this bill down his fellow senators' throats with the threat that they will face the ire of every Jewish voter back home if they resist! This is a powerful lever organized Jewry uses in America. Jews are being organized for the all-out drive to obtain the $2.59 billion as a free-grant — which will be added to our national debt for which we will pay 9% compounded interest from now into eternity.

WHAT DID GEN. BROWN SAY

The Thunderbolt published two issues and printed large numbers of extra copies of Gen. George S. Brown's statement. All these editions quickly sold out. For this reason we once again reprint below his words of Oct. 10 at Duke University which began this new trend of well-known people, following in his step, in finally saying publically that the majority have felt for so long.

Gen. Brown stated:

"Now, in answer to the question would we use force in the Middle East. I don't know — I hope not. We have no plans to. It is conceivable, I guess. It would be almost as bad as the seven days in May. You can conjure up a situation where there is another oil embargo, and people in this country are not only inconvenienced and uncomfortable, but suffer.

"They get tough-minded enough to set down the Jewish influence in this country and break that lobby. It is so strong, you wouldn't believe, now.

"We have the Israelis coming to us for equipment. We say we can't probably get the Congress to support a program like this. And they say don't worry about the Congress We will take care of the Congress. This is somebody from another country, but they can do it. They own, you know, the banks in this country, the newspapers. Just look at where the Jewish money is."

Gen. Twining Backs Brown —

Continued from Page 1

Another former decorated military leader joined the expanding ranks of those who have cast off "fear of the Jews" to tell the public how they feel about the Jewish power grab in Washington is Capt. R. M. Cole, Jr., of Highland, Calif. He issued a statement which appeared in the "San Bernardino Sun-Telegram." Again no wire service or other daily carried this news. Capt. Cole wrote in part:

". . . my wife and I took a tour of book stores and magazine stands in San Bernardino looking for anti-Israel or pro-Arab literature of any kind. We found almost none. The opposite point of view is well represented, and I am sure you can name several examples, fiction or non-fiction, as I readily can.

"Before I read Gen. Brown's remarks I had come to much the same conclusion . . . I would wager that he still feels that the influence of the Jewish community in the U.S. is out of proportion to the numbers involved. Jews . . . command fairly good official support for the causes they embrace. . . . Many of us have been led to believe that Arabs are aggressors. How many Arab nations have committed aggression since 1948. (Note: Israel launched 4 wars of aggression against the Arabs!) I don't count the 1973 war because a nation must have a right to regain territory lost by preemptive, surprise war.

"Now consider Gaza and the 1967 war; and there may be yet another since the Israelis have enjoyed almost unlimited purchasing power of military materials made in the U.S.A. They are now prepared to act without our support for several weeks. Can they count on U.S. support if any initiative should fail and we are called upon again? Is this not the choice addressed by Gen. Brown, and should you consider it?

"It would be an example of journalistic courage if you should give equal time to the Arab point of view when there is no public clamor for such. Perhaps you would be labeled 'anti-Semitic'. There may even be some relief that your editor only reports and critiques policy.

migrants now in America, and Gen. Chapman (head of U.S. Immigration Service) stating that 40 million more will be here by 1985, we are going to be inundated with welfare cases.

Already our central cities have retrogressed back into primitive jungles. Non-Whites have already stymied the advancement of our White Western civilization! Whether we are able to maintain present living standards rests on our ability to cut down on the present, extremely high, non-White birth rate in America and place the lid on all non-White immigration.

That is why we urge all readers to write their Senators and congressmen to vote for the adoption of Rep. Rodino's bill (HR-982) which will make it a crime for any employer to knowingly hire illegal immigrants. This is a first step in the direction of controling this problem and will lay the ground work for even more comprehensive legislation in the future. **Don't procrastinate, Write your representative today in support of Congressman Rodino's bill HR-982.**

Gen. Brown For President

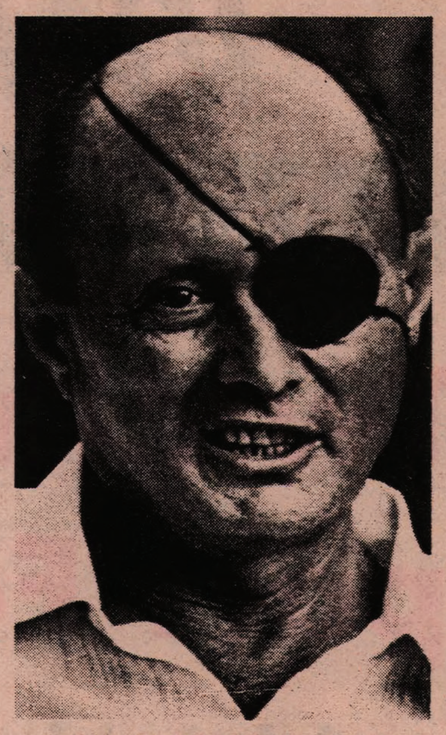
ISRAEL A "RACIST" STATE

Most people are aware of Israel's extreme sense of nationalism. According to the daily press, T.V. and most preachers, it is fine for the Jews to place ISRAEL FIRST! Why then are we condemned for saying *"American First"* or the English for saying *"Britain First?"* Nationalism is fine for the Jews and they boast of their loyalty to Israel First. But leftists say White Christians should be *"internationalists"* and place the interest of the *"backward"* and *"underdeveloped"* countries of the world first!

"White Racism" is always being condemned for our folk and some ministers have declared that White Racial Pride is even a "sin"! But, of course, it is fine for the negroes and Jews to flaunt their "Racial Pride" before our people.

A recent news dispatch out of Israel indicates the extent to which "Jewish Racism" exists in Israel. We have all read where the so-called "Black Hebrews" from Chicago were deported back to this country because they all went on welfare and caused trouble in Israel? That is just an example of how far Russian (Khazar) Jews are willing to go to protect the identity of their race in Israel. All of the leaders in Israel's government and its business community are Russian Jews.

During recent years there has been a large influx of so-called Oriental Jews into Israel. They come from Jewish communities which existed in



GEN. MOSHE DAYAN

Asia and North Africa. Their blood stream (genes) have been mixed during the centuries with the non-Jewish peoples in the countries where they lived.

These so-called "Oriental Jews" are excluded from the separate Russian Jewish community. They are forced to live in areas with a lower standard of living and given the poorest paying jobs and inferior education. They have demonstrated frequently about this discrimination.

Russian (Khazar) Jews constitute over 90 percent of world Jewry. The Khazars originated in Southern (Asian) Russia and converted to Judaism about the year 800 AD and are in no way related by blood to the original Hebrews who inhabited Palestine at the time of Christ. Full details in the important subject of exactly who the Russian Khazar converted Jews really are is detailed in Col. John R. Beaty's excellent book "Iron Curtain Over America." Only $3 per copy, 267 pages, available from "The Thunderbolt."

In October of 1974 Gen. Moshe Dayan addressed a conference of Jewish leaders in South Africa. He stated that it was of the utmost urgency that Khazar Jews from Russia immigrate to Israel. He said this must be done to *"counterbalance immigration by Oriental Jews."* Dayan added that, *"one of the real problems facing Israel is that three out of five immigrants are Orientals. What we have to try to do now is to be very attentive to try to help more newcomers from the Western countries."*

Could Gen. Moshe Dayan more fully admit to the **racial consciousness** of the ruling Russian Jewish community in Israel today? They have political power and do not want to surrender it to any group not of "pure" Khazar Russian Jewish blood. That is also the basis of the world wide power play to move a huge segment of Russian Jewry to Israel to insure their domination! Even if only half of the million Russian Jews expected to leave Russia actually end up in Israel this will give them the numerical majority to hold down the Oriental Jews and Arabs living inside their armed borders.

Here you have "proof positive" that the Jews are the most RACIST of any group of people in the world. Yet, they are the first to condemn White Christians who profess their belief in White Racial Superiority, White Pride and WHITE RACISM!

Russian Yiddish magazine boasts Jews rate high

WASHINGTON — There are 534 specialists with a higher or specialized secondary education for every 1,000 Soviet Jews, compared with the national average for the USSR as a whole of 123.

This is one of the statistics cited in the Soviet Union's official Yiddish magazine, *Sovietish Heimland*, and made public here by the information officer of the Soviet Embassy.

Written by Yakov Kapelush, a senior researcher at the Sociological Research Institute of the USSR Academy of Sciences, the article reports that 340,000 Jews were decorated with government orders and medals for labor exploits and for World War II heroism. The tile of Hero of the Soviet Union is held by 133 Jews and the title of Hero of Socialist Labor is held by 71 Jews.

As of 1971, the article says, 6,058 Jews served on the USSR's governing bodies; 19 were elected to the Supreme Soviets of the constituent republics; 9 to the Supreme Soviets of the Autonomous republics; 131 to the regional Soviets; 572 to the district Soviets, 2,154 to the city Soviets, and 872 to the rural Soviets.

World Government Is Coming

World government may be less than 30 years away.

A well-known expert says by the year 2,000 we'll be ruled by a world government.

"The question is," says Dr. Saul H. Mandlovitz, "whether that world government will come as a result of major catastrophe or as the result of planning for a more humane future."

This fascinating forecast comes from careful calculation on Mandlovitz's part.

After studying world problems for decades he's decided the only way to save the planet is to eliminate segregation in South Africa, white rule in Zimbabwe and Portuguese rule in Africa; establish a global food agency, promote stronger social movements for peace and justice and foster substantial disarmament.

Countries isolating themselves from one another will have to go soon, other experts agree.

According to Dr. Robert Triffin an international monetary system is essential to world unity.

He's worked on the idea for years and feels it's the only way to bring nations closer together.

He hopes to do it without World War III.

Setbacks For "Tax Rebellion"

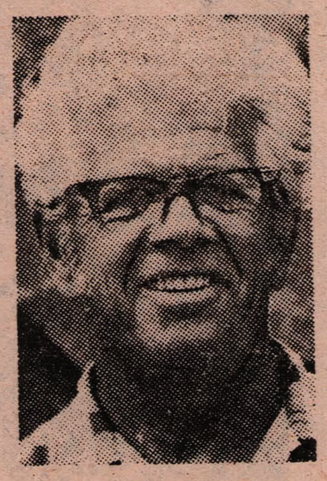
Tax Rebel Quits



James Freed

By BILL GAIL
Journal Correspondent

HOWELL — James W. Freed, often billed as the "tax rebel," has given up the fight rather than go back to his third term in prison. Freed is going to give financial records sought to the state treasury department for the past four years.

Freed said Ingham Circuit Judge Ray C. Hotchkiss told him he would be jailed for the third time if he did not produce his records.

THE 58-YEAR-OLD self-employed sign painter, told Hotchkiss he would meet with Treasury officials on March 3.

Freed of Fenton, and George Kindred of Pinckney, both spent five months in Ingham County Jail in 1971 rather than produce their records the years 1968, '69 and '70, when both filed blank returns.

Freed and Kindred were again jailed for several days in the fall of 1972 and later Kindred agreed to submit his records.

Since that time both men have filed lawsuits against various authorities who were involved in the judicial proceedings.

Freed's contempt of court citation was not invoked until this week by Hotchkiss who was awaiting developments in the other cases.

Freed had little to say on his willingness to bow to the court after his struggle to resist. He indicated his resistance to state and federal taxes had failed to cause the public to rally to his support.

ROUGH SLEDDING FOR "TAX REBELS"

A number of leaders in the "Tax Strike" have recently been sentenced to prison for their efforts. James W. Scott of Fresno, California has just been sentenced to prison for taking the Fifth Amendment in refusing to pay his taxes. Mr. Scott is one of the top leaders in the tax rebellion.

The government has also recently indicted Mr. Scott, William E. Drexler of Minneapolis and Vaughn Ellsworth of Mesa, Ariz., for advertising kits and handbooks instructing others on how to "tax strike."

Another good friend of ours, a brave Patriot, is Rev. Buddy Tucker of Knoxville, Tenn. He has refused to pay any income taxes for the past three years. Recently he was given a "kangaroo trial" and sentenced to one year in a federal penitentiary. Rev. Buddy Tucker is now free on bond and has vowed to appeal his conviction all the way to the U.S. Supreme Court.

Perhaps the most serious setback to the Tax Strike movement to date was the recent conviction of Marvin L. Cooley of Mesa, Ariz. Mr. Cooley was convicted in 1971 for refusing to pay taxes and given three years in prison. Just last month the U.S. Supreme Court turned down his appeal and he has been forced to enter prison. Mr. Cooley won fame through his "Tax Rebellion Seminars" during which he instructed others how to defy the tax collector.

Mr. Cooley's appeal was considered a pivotal case! The court ruled that the Fifth Amendment cannot be used to withhold required information on income. The court also upheld the IRS contention that failure to keep financial records can be a crime, and the IRS has the right to obtain such information by estimation.

They also ruled that, *"deliberately false preparation of Form W-4E is a crime"* for which a one year in prison sentence and a $500 fine can be imposed. This is a form by which the taxpayer states that he does not expect to owe any income tax during the forthcoming year. This can be filed with an employer so that he will not withhold income taxes from a worker's paycheck. In addition the court ruled that a taxpayer cannot refuse to withhold financial information summoned by the IRS. They held that the Constitution's *"due-process clause is not a limitation on the taxing power conferred on Congress by the Constitution."*

The final conviction of Marvin Cooley and his imprisonment for three years along with the other convictions of Tax Strike leaders has been a big setback for the Tax Rebellion movement. There is little hope that other brave Tax Rebels will be able to get the Supreme Court to change its decision. Regardless of the cruel punishment being inflicted upon them, many of these brave men state they will carry on the fight, and care not whether they go to prison. The Federal government has too much power. Maybe a new Constitutional convention is needed to remedy the situation.

Jews Murder & Torture Arabs In Occupied Territories

WHY THE PALESTINIANS FIGHT FOR FREEDOM FOR THEIR PEOPLE!

Editor, The Thunderbolt:

Every intelligent American will want to learn the facts uncovered by the report of the *"United Nations Inquiry Commission on the Violation of Human Rights?*

During the Commission's sitting in Beirut, a young Palestinian, born in Jerusalem, testified that the Israeli Information Minister had made known plans for the eviction of 50,000 Arabs, their property to be appropriated by Jews. For this purpose, 40 million Israeli pounds had been provided in the state budget. He reported terrible methods of torture used by the Jews against those who resisted. One girl who remained loyal to the rights of her people had her spine fractured by Israeli torture, and another girl became blind because powerful lights had been focused on her eyes.

According to The Christian Science Monitor, one of America's best newspapers, 5,542 Arab homes were destroyed by Israelis. Also, stores had been demolished and their goods confiscated.

Dr. George Dib, Professor of International Law at the University of Lebanon, quoted from a document published in Israel. It states that willful killing of Arabs by the Jews "has been frequent throughout the occupation." He cited cases of eviction, deportation, and the destruction of homes without compensation. When these acts were brought to the attention of Israeli governors and the Geneva Convention referred to, they said: "What is the Geneva Convention? We have never heard of it!"

Dr. George Dib testified that 17 methods of torture were used by the Israelis. Among these were "the injection of solutions containing chemicals or irritants, the pulling-out of fingernails and toenails, floggings, electric shocks applied to the genitals and to the rectum, beating with iron pipes, and the insertion of lighted candles into the nose."

In other cases, prisoners were locked up in cells with dogs trained to terrify them, nitric acid was applied to their mouths, and some were forced to walk barefoot over fire.

Arab girls and women have been compelled to parade naked in Israeli army barracks, acording to the testimony of two American witnesses.

Another American lady, Mrs. Nancy Haider, was in Jerusalem until a week after the war and again in July, 1967. She testified to the commission: "Nothing seemed to be safe from willful destruction. Looting went on for six days after the cease-fire. Israeli soldiers exploded grenades to open the doors of an orphanage which had been flying a Red Cross flag since 1948. They also fired sub-machine guns through the windows."

Witnesses brought forth the names of men, women, and children who had been tortured to death by the Jews.

A refugee from the Golan Heights testified that Israeli soldiers raped Syrian women in the territory they occupied and cut off the water supply so that civilians would be forced to flee.

The Mufti of Kuneitra testified that Israeli soldiers had raped and killed a number of women at Jabbat Zeid Village and that many forms of torture were brought to bear upon the inhabitants of this and other towns.

A British witness, Major Derek Cooper, testified: "I have seen many victims of Israeli napalm bombs and have personally investigated cases of the use of shrapnel bombs."

To these Jews we have recently given $3.2 billion so that their atrocities may continue.

Slum Lords Of New York & Chicago

When Their Property Loses Money It Burns Down

Chicago and New York Cases:

WHO ARE THE SLUMLORDS?

Recent studies on slums have been made in two of America's largest cities. One study was made by *"The Chicago Tribune"* and the other by *"The New York Times."* Their subjects were the most flagrant abusers of city housing codes and those with the highest number of tenant complaints.

In both studies the slumlords were mainly Jews. First we shall examine the Chicago report:

Three brothers are the most notorious slumlords in the city of Chicago.They are the Gutman brothers, Leon, Herman and Max. All three were born in Poland and were furriers when they first immigrated to America. Beginning in the 1950's they purchased a large number of apartment buildings in Chicago.

Most of the tenants are poor Whites from the South and Appalachia who have moved to the big city seeking better jobs. The Gutman brothers refuse to make repairs on their buildings. It is common for lights to go out, water to cease running and the heat to cut off — days and even weeks go by before repairs are made. Maintenance in the form of replacing broken windows, doors, mail boxes is almost unheard of. At the same time the rent is not cheap and ranges as high as $250 per month. For a small amount more the poor Whites could have a pleasant apartment on the far Northside — but this is all they can afford.

In one outrageous example Mrs. Lillian Murray, age 77, had her heat cut off and suffered thru two of the coldest days in Chicago before Leon Gutman sent a negro repairman over. Her worst fears were realized when the man attacked her. He severely beat the poor woman and took all her money. Gutman had hired him at scab wages after he had been released only one month earlier from Stateville Prison.

Three have died recently in Gutman-owned buildings as a result of faulty maintenance. Two year old Jennifer Kalmakoff was guillotined when she opened a broken elevator gate and poked her head through. A descending elevator decapitated the little girl.

The Gutman brothers have been sued by the city 43 times for violations in 35 buildings. Hundreds of inspection codes have been listed as violations.

The Gutman brothers, Leon [left], Herman [center], and Max.

Four people have died in Gutman owned apartment buildings in Chicago due to building code violations. Still the courts have not been able to do anything to force the Gutmans to make improvements.

Eric Roy, a 23 month old baby, was lying in his crib when the steam heat came on in his building for the first time on Oct. 7th. The radiator had been removed and the red hot steam gushed into the tiny room thru the open pipe and scalded the infant to death.

Herman Gutman was hauled into court and insisted the missing radiator had nothing to do with the baby's death. He told the court; *"This is a case of parental neglect . . .. Couldn't it be that they put the baby in a hot bath and forgot about it?"*

Rodney MacDonald died of burns when a fire broke out in a building owned by Leon Gutman. At the time Gutman had ignored 13 fire code violations which were cited against him four months before the fire. On Nov. 11 another fire broke out in Gutman's largest slum apartment at 4520 N. Clarendon Ave. Huge spikes closed the fire exits and one dweller burned alive trying to remove them to reach the fire escape. Gutman's reply to the press was *"No one ever told me this was a violation!"*

Gutman explained the problem to reporters; *"You can't use ethics in this business, these people are mostly White Appalachians and they are drunk all the time."*

The Gutman buildings are described by visiting reporters as *"powered by greed, and producing despair, hatred and human degradation."*

The buildings are rat and roach infested, with faulty wiring, leaks and constant service breakdown. It takes a court order to force the Gutmans to do anything.

Herman Gutman explained; *"We are hard working people. We are just trying to make a living and sometimes make a few dollars."*

There have been 18 cases of lead poisoning of children in Gutman apartment buildings in the past three years. This occurs when children eat lead based paint peelings from walls. Chicago building codes have long ago outlawed the use of such paint and it has been ordered removed from all buildings in the city. When asked about this problem Max Gutman replied;*"You know how the kids get it? They eat dog manure?"*

Max Gutman is reported to be a millionaire but he normally wears a torn sweater, old crumpled hat and badly worn coat. In personally showing an investigative reporter an apartment, he told him a real bargain was available for only $125 per month. The reporter complained about the dilapidated condition of the furniture. The dingy apartment which featured a three-legged end table, a couch broken in the middle and a chair covered with a blanket to hide the holes. Gutman explained with shrugged shoulders — *"It's there — you can sit on it — so it's usable."*

BOLD COURT ANTICS

During their frequent court appearances the three Gutman brothers often break into tears — along with their wives! The following is a quote from "The Chicago Tribune" on Max Gutman's behavior when he was brought into court as a result of numerous building code violations he had refused to correct.

Max actually cried before the judge that if he had to pay out this money for the repairs; *"I'm ruined, I'm ruined"* collapsing on a courtroom table, he weeped: *"I'll lose everything, my house, my family."*

Mrs. Estelle Gutman screamed at the judge: *"My husband's going to have a heart attack. I know they'll drive him to it. He tries to fix things himself."*

His brother Herman in another courtroom appearance swore to the judge; *"I do all the work that is needed. I handle it like a religious man handles a Bible."*

ROSE SHIFFMAN, top "Torch" contact in New York, at 73, with 500 fires!

A reporter then overheard a long time employee of Herman Gutman who could stand it no longer. He told Gutman to his face; "You're impossible to talk to — you're only interested in one thing.

"You're only interested in making money."

THE SAME PROBLEM IN NEW YORK

The city of New York on Feb. 9, 1975 listed the most flagrant violators of the city's apartment building codes. They were Jose Pincesz, Meir Neerbaum, Leonard Willig and David Silber — ALL JEWS".

Princesz owns 80 apartment buildings and most are in need of urgent repair. One of his buildings was without hot water and inspectors found the boiler under 10 feet of water in the basement. Some 34 apartments in the same building needed rewiring. Pincesz has been cited with violations carrying fines up to $500,000 but because of his city connections only a fraction has been paid.

Pinnesz can never be reached by tenants or the press for comments but his lawyer Julius Feingold explained to reporters: *"Mr. Pincesz is a very tired man. He's a businessman. He does not run buildings for charity. If he makes a profit he'll stay in business."*

Pincesz is a millionaire — money blood sucked right out of the veins of his suffering tenants. The misery of these people, trapped in by the slum lords, is one of the great injustices existing in this country.

Asked why something is not done, Alan H. Wiener (also a Jew), head of the N.Y. Housing Authority said they must be careful; otherwise, the owners may abandon the buildings and let them fall back on the city for unpaid taxes!

Leonard Willig was given 30 days in jail three years ago for failure to make repairs on his buildings, but with "friends" in high places and the slow court appeal process in New York, he has not gone to jail and runs his slum dwellings as usual! Willig was also ordered to make $10,000 in repairs on one building a year ago but is appealing the order.

Willig has denounced his tenants as *"vicious liars,"* and his lawyer James Peck has defended him stating: *"It's tough enough to maintain a building with today's negative cash flow. Mr. Willig is really a poor soul."*

Neither Meir Meerhaum and David Silber or their lawyer would make any comments about the hundreds of building code violations they are charged with. The cities of New York and Chicago are filled with Jewish judges and bureaucrats with outstretched palms looking for a payoff. This is how the slumlords of Chicago and New York are able to stay in business. They continue to reap riches off the terrible misery of the poor and dispossessed.

Jews Firebomb Buildings

The Chicago police had noticed a familiar pattern with regard to slum buildings owned by the Gutman brothers. When they finally sink into such a dilapidated state, that all tenants must evacuate, the buildings mysteriously burn down? Then the insurance is collected or the buildings go back on the former Christian owners through quit claim deeds which are legal on unpaid mortgages assumed from previous owners. In dealing with the Jewish slumlord one must beware of any and every possible ravenous trick which the profiteer is capable of pulling.

Elderly Sisters Arrested In New York

Insurance men have long held a well justified fear of selling fire insurance to Jews. Records show that Jewish owned property has a far greater fire insurance loss than that owned by Christians. Most of the property burned was no

longer suitable to provide a profit!

Last month one of the most sensational cases in the annals of crime broke in New York City. A long investigation by a special squad set up by the Fire Marshal resulted in the arrest of three Jews who are accused of arranging for more than 500 fires over the past 12 years. Those arrested were Rose Shiffman, 73, of 7800 Shore Front Parkway, Rockaway Queens, N.Y. her sister Sylvia Goldberg, 66, of 8200 Shore Front Parkway, Rockaway, Queens, N.Y. and Mrs. Shiffman's son Abraham Jack Shiffman, 46, of 8200 Shore Front Parkway, Rockaway N.Y.

In the case dubbed *"Arson and Old Lace"* the three are accused of arranging for professional *"torch men"* to set fire to property they purchased as well as for their business friends and associates. Run down dwellings, apartments, rooming houses, small office buildings and even one large shorefront hotel were burned to the ground by the two elderly Jewesses. Millions in fire insurance have been paid out to their claims.

The two sisters flew back from Miami Beach, well tanned, to surrender to the authorities. All three were released on their own signatures as bond because of their established prominence in the Jewish community.

Police state that many of their business associates are expected to be indicted. But in Jew York one cannot expect much punishment outside a slap on the wrist. After all these are the *"self-chosen"* people!

Every American who buys fire insurance has been fleeced by these criminals. Insurance companies pool their losses as a gambler does betting odds to protect himself against excessive loss. Every single one of us pays higher fire insurance fees as a result of cunning Jews who have for many years used professional "torches" to squeeze the last drop of blood money out of the property they own.

A Christian America cannot afford to be saddled with an alien minority whose loyalty is to Israel first and the almighty dollar second. They look down with disrespect and contempt upon the White working Christian.

Jews come to America only for the "fast buck" they expect to drain out of us. They hold our laws and ethics in utter disdain. Everything Here is for Their Maximum Exploitation!

Israeli 'Stern Gang' Not Boy Scouts

By DON GRAFF

It is only a coincidence that at a time when world outrage is running high over the airliner hijackings by Arab terrorists, an Israeli journalist is recalling an earlier agony of terrorism in the same seething Middle East.

But it is an appropriate coincidence, unhappily instructive on the subject of terrorism in general and on the difficulty, if not impossibility, of dealing with it effectively.

The journalist, Baruch Nadel, has written a book on the death of Swedish Count Folke Bernadotte in that chaotic time, nearly a quarter of a century ago, when the state of Israel was struggling to be born. Britain was abandoning its mandate over Palestine and, for the cause of a reborn Hebrew nation, the Jews of Palestine were prepared for no-quarter battle against Arab neighbors, British authorities and sometimes each other.

OF THE several militant Jewish forces engaged, Haganah was the largest and most responsible, willing at times to cooperate with the British. More extreme was Irgun Zvai Leumi, which defied British blockade and United Nations truce, illegally imported men and munitions and engaged in widespread sabotage. Farthest out of all was the Stern Gang, which openly acknowledged terror as its business.

And terror there was—murderous terror. A train explosion killed 30 British soldiers. Five policemen died in the bombing of a Haifa police station and 142 persons were wounded.

Kidnapings of British officials and soldiers were frequent, with many of the victims returned as corpses. Haganah, concerned over the effect on world opinion toward the Jewish cause, sought to moderate the violence but was warned off by the extremists.

MOUNTING world outrage reached a high on Sept. 17, 1948, when Count Folke Bernadotte, the Swedish diplomat sent to Palestine as United Nations mediator by the Security Council, was ambushed and murdered.

It is that murder that Baruch Nadel, leader of the Stern Gang unit that committed it, seeks in his book to explain and justify in the context of the cause and times. Whether he manages to do so is beside the point at this point. What Nadel has done is throw some historical light on the psychology and life cycle of terrorist movements.

Nothing the British undertook—stern warnings of "drastic measures," martial law, arrests and executions, and at one point a fine of $1,600,000 on the Jewish community—halted the attacks in Palestine. Repressive measures merely fired the terrorists to greater zeal and more outrageous acts.

TOTALLY committed to a cause, willing to give their lives and feeling they had nothing to lose, they were impervious to appeals to humanity and responsibility that carried weight with less-extreme Haganah.

The Palestine terror ended, of course, but only with the passing of the situation that gave rise to it. The British left and a Jewish state was carved out in an as-yet-unended war with the Arabs. Haganah became the Israeli army. Irgun and the Stern Gang are no more. Old terrorists have either died or, like newspaperman Nadel, faded away into civilian life.

MORE JEWISH STUDIES FOR CHRISTIAN STUDENTS

There will be more courses in "Jewish Studies" at American colleges and universities in the future according to Prof. Moshe Davis of the "Institute of Contemporary Jewry." Meeting at the Hebrew University in Jerusalem the new *"International American Planning Committee"* was formed.

Prof. George Mosse said that besides Israeli and Jewish history, there would be special emphasis on the "Holocaust." This is the fraudulent SIX MILLION DEAD JEW lie which we are all supposed to believe! How long will our people allow their resistance to the aggressive plans of Zionism to be silenced by this contrived "guilt complex" scheme???

Jews Would Ban Freedom Of Press

BRITISH CASE GOOD EXAMPLE:

The Thunderbolt carried an article in issue #180 which detailed the large numbers of newspapers and magazines owned by the Jews in America. Since the Jews are so heavily involved in the news media business we need to access their attitude toward *"freedom of the press."* In the State of Israel the Jews maintain a censorship board. Its agents review all news before it can be published in any newspaper or broadcast on the radio or T.V. Even American press and T.V. reporters must submit their dispatches before they are sent over here for release.

The same censorship situation exists in Marxist Russia. Israel is also a self-declared Marxist Socialist state. Jewish organizations are working to establish censorship boards in all of the Western countries including America. This is one reason they have worked so diligently for the passage of the U.N. Genocide Treaty. This will come before the Congress later on in the year and provides for the punishment of anyone who would *"mentally harm a member of a minority group."*

Already such censorship boards have been established in England, France, Canada and West Germany. Once a state censorship board is established the Jews, with their great money power and political influence, are able to silence even the slightist criticism of Zionist political activities.

Stretching The Law To The Limit

In England, Dr. Mohammed Mehdi, a London University mathematics teacher, heads an organization called *"The Committee For Justice in The Middle East."* They recently ran an ad in the *"London Times."* The ad simply declared: *"Shouldn't Britain Come First?"* It added that *"Millions of pounds of untaxed money"* was being sent from poverty stricken England to build up the military machine of Israel.

Dr. Jacob Gewirtz, the head of the powerful "Board of Deputies of British Jews," demanded that the Race Relations (Censorship) Board take immediate action against The London Times. Dr. Gewirtz charged that such an ad *"is an incitement to racial hatred."*

No complaint has ever been lodged against Jewish publications in England which continuously carry venemous anti-Arab articles, and editorials constantly calling for the abolition of Christian religious celebrations.

"The Jewish Chronicle" of London in a virulent editorial attacking the very idea of allowing anyone to question the political ambitions of the Jews, stated:

"There is in fact no such absolute freedom . . . Freedom of expression is fundamental to our liberties, but newspapers are parties to an abuse of this freedom if they permit themselves to be used for distortion of the truth or defamation."

Powerful Jewish leader Martin Savitt, chairman of the "Board of Deputies Jewish Defense Committee" emphasized their malicious intent to squelch all verbal opposition when he stated:

"The time has come for the Jewish community to say 'You can go so far and no further, whether it be The Times or any other newspaper.' "

Jews Want This Power In America

Just think for a moment how serious a threat this view poses for freedom of speech and press for Americans! Remember, the views of international Jewry are the same worldwide. That is why they are working so diligently behind the scenes for the passage of the Genocide Treaty in America. Just imagine their unmitigated gall in saying that such statements as *"Britain First"* and that too much *"untaxed money is going to Isarel"* must be banned — AND THAT MEANS LEGAL PUNISHMENT.

If the British Race Relations Board (without jury trial) were to convict Dr. Mehdi and "London Times" editor, William Rees-Mogg of violating the infamous Race Relations Act of 1965, then they would have succeeded in silencing all opposition. Thankfully, Patriotic Englishmen are not taking this lying down and the Jews have this time revealed just how far they are willing to go in crushing freedom. Mr. William Rees-Mogg stated that he would not be intimidatd by such threats and will *"continue to carry similar advertisements in the future."*

This makes it clear that the Jews are working to impose strict censorship over our people just as they have in Isarel. That is why they demand that our Senate adopt the Genocide Treaty. "The Thunderbolt" will alert you when this dangerous measure comes up again. We must use every means at our command in order to defeat the treaty.

WHAT RUSSIA'S JEWS WANT

Editor, The Thunderbolt:

Our nation is in great peril today because we have lost control over our destiny. As your Thunderbolt rightly says, it is the total control of America by the Jewish minority that is responsible for the present economic, social, military, and especially racial problems in this country.

The Jews pretend to be the world's great humanitarians. However, their humanitarianism is limited strictly to their own Jewish brethren or to the blacks who they are able to use for their own anti-White purposes. Whenever specific Jewish interests are endangered, the Jews' leaders scream and cry and get American traitors like Sen. Henry Jackson to help them with their evil designs.

For example, the Jews are putting on a big show over the fact that Soviet Russia is oppressing them and that all they want is to live in freedom in Russia or leave for a new life in Israel. However, these same Jews do not complain that back in the 1920's the Jew Leon Trotsky and half-Jew Lenin murdered millions of genuine Slavic Russians who opposed Jewish control over Russia. The Jews were a majority of the early Soviet Communist Party. Since then there has developed a split.

Now their prime goal is to flood into America (not Israel) and establish Marxist Socialism here. American freedom cannot survive if this silent invasion of Marxist Jews from Russia is not halted.

British Jews Take Action On Ad Charging Disloyalty

LONDON — Shouldn't British money remain in Britain to build more homes, improve social services and help pensioners?"

This was the theme of a full-page advertisement in the prestigious London Times, headed, "Shouldn't Britain Come First?" The ad criticized British Jews for donating "millions of pounds of untaxed money" to Israel.

Placed by the Committee for Justice in the Middle East.

British Jewry used the bluntest terms to denounce The London Times for accepting the Arab advertisement which charged them (P-O, Dec. 13) with contributing money to Israel while ignoring domestic needs.

The British Jewish Board of Deputies has referrred the advertisement to the Attorney General for "appropriate action" under the Race Relations Act which deals with "intent to stir up hatred against any section of the public in Great Britain distinguished by color, race or ethnic or national origins."

LORD FISHER, The Board's president, told his meeting of the Board Sunday, that it was pitiful to see a once great newspaper which had had an enviable reputation throughout the world, "fall so low as to accept an anti-Semitic advertisement,

The Jewish Chronicle took exception to the explanation of the Times that it was following "freedom of the advertiser to state his views."

"There is in fact," the paper asserted, "no such absolute freedom. . . Freedom of expression is fundamental to our liberties, but newspapers are parties to an abuse of this freedom if they permit themselves to be used for distortion of the truth or defamation."

MARTIN SAVITT, chairman of the Board's Jewish defense and group relations committee, took a strong stand when he said "the time has come for the Jewish community to say 'You can go so far and no further, whether it be The Times or any other newspaper.' "

GUARD OUR SACRED RIGHT TO "KEEP AND BEAR ARMS"
Editor, The Thunderbolt:

The second amendment expressly denies to the United States any right, power of authority to "infringe on the right of our people to KEEP AND BEAR ARMS.

When the states ratified that amendment it became just as binding on them as on the federal government itself. The attack on that amendment is coming from the world money changers, the serpent people, who during and following WWII "came in like a flood."

Their man Warburg told the Senate committee, *"You are going to have world government whether you like it or not. If not by consent, then by conquest."* Rendering the people helpless to defend themselves is behind efforts to destroy the gun amendment.

All acts or parts of acts in violation of that amendment are legally NULL & VOID, under the Constitution. It is an attempt to render conquest easy. That should be clear to all. Every Congressman who votes for such violation of our Great Charter of liberty under law becomes guilty of perjury.

Mark every man that votes for such usurped power in wanton, deliberate effort to render us helpless before the planned invasion starts. The Thunderbolt is one paper with the cold courage to give us the truth.

INVASION OF CALIFORNIA
Editor, The Thunderbolt:

California is becoming worse day-by-day for the Negro influx amounts to about one thousand arrivals each week. The high rated welfare payments make California an every-day Christmas with more Negroes arriving every day.

Negro crime is becoming terrible. Now, we Whites are even afraid to venture from our homes, night or day. The Negro bucks are surely raping the White women, wherever the Negro rapists can find the White women, without the proper protection. Thanks to the federal courts and federal government.

THE BIBLE CONDEMNS INTERRACIAL MARRIAGE!
Editor, The Thunderbolt:

If we had known years ago more of the Bible the race mixing programs of the leftwingers would never have gotten as far as they have.

"This *is* the thing which the Lord doth command concerning the daughters of Zelophehad, saying, Let them marry to whom they think best; only to the family of the tribe of their father shall they marry." — Numbers 36:6.

"And every daughter, that possesseth an inheritance in any tribe of the children of Israel, shall be wife unto one of the family of the tribe of her father, that the children of Israel may enjoy every man the inheritance of his fathers." — Numbers 36: 8.

"And, behold, one of the children of Israel came and brought unto his brethren a Midianitish woman in the sight of Moses, and in the sight of all the congregation of the children of Israel, who *were* weeping *before* the door of the tabernacle of the congregation. And when Phinehas, the son of Eleazar, the son of Aaron the priest, saw *it,* he rose up from among the congregation, and took a javelin in his hand; And he went after the man of Israel into the tent, and thrust both of them through, the man of Israel, and the woman through her belly, So the plague was stayed from the children of Israel." — Numbers 25: 6-13.

God always sent the plague on the children of Israel (the white race) when they intermarried with other races. In the above instance Zimri was a Midianitish woman and was possibly only a mulatto.

Should Israel Get Everything?

AMERICA SAVED ISRAEL
Editor, The Thunderbolt:

A few months ago I received a letter from a friend of mine who was in West Germany at the time of the Yom Kippur War. My friend told me that we began to start shipping war materiel to Israel as soon as the war started. My friend tells me Europeans are amazed at our subservience to Israel and the Jews.

Our effort to help Israel was almost obscene. Phantom jets were flown from operation squads here in America to Israel by American pilots. The Arabs could rightfully claim that we were at war with them. Other planes were taken right off production lines and flown to Israel. Tanks and other war materiel were stripped from NATO stocks and shipped to Israel. Israel would have lost the war if top secret Maverick missiles, TOW Anti-Tank weapons, and other items had not been rushed to the Zionists.

Most disgraceful was the action of the Jews themselves. One group of Jews led by Jacob Stein met with the Japanese Ambassador to America and threatened to have Jew stores stop buying Japanese goods. (Japan sided with the Arabs in the war.) The Japanese were threatened with a boycott of goods by the 6 million American Jews.

Since 1798 the White Law has made it illegal for Americans as individuals or as groups to conduct foreign relations with other countries.

Needless to say very few people are holding their breath waiting for Nixons "Injustice" Department to bring the Jews to trial for violating the White Law.

PRIVATE SCHOOLS FOR JEWS

Jewish organizations in America have led in the fight for school integration ever since it began in 1954. At the very same time they have been the first to flee changing neighborhoods and establish themselves in segregated "Ghettos" where Jews predominate. Now comes the news from the "American Association for Jewish Education" that a record 75,-000 Jews are enrolled in private Jewish schools. The report states; *"This is an increase of 76% over the past 15 years."*

WHITEMAN — UNITE — STAND AND FIGHT!

Thousands of our boys fought and died in North Vietnam for a cause they neither understood nor agreed with; but they fought and died without question. Are their deaths to be in vain?

It it not time for the American public to wake-up and start running our country like our forefathers intended for us to do? Are we going to sit on our complaining gripping, bellyaching, do nothing backsides until this country of ours is completely taken over by a horde of black, death-dealing, communist, Jew-backed, jungle raised savages?

Our streets, schools, and even our homes are not safe from this degradation of our flag that so many have fought and died to defend. Why do White men sit idly by while White women are raped by these barbaric bums? Where are our heros of World Wars I & II, Korea & Vietnam? Where are our great American mothers who raise such hard working, brave, loyal boys who will fight at the drop of a hat for their wives, children, mother and country?

Mothers, are you raising your sons to respect womanhood or are you raising them to cower before anyone who says "boo" to them?

Fathers, are you going to continue sitting by and allowing your wives and daughters to be abused by these sub-human animals who know no law except the law of the jungle?

Sons, are you going to bow your heads in submission everytime someone decides he wants to insult your mother, sister or girlfriends?

White America, how long do you intend to be pushed around and told what you can and can't do by a subhuman savage who would not have anything he could call his own if *YOU* had not given it to him! How much longer are you going to sit by White America and give your *God-given* rights to these half ape misfits of society?

Are you going to give in without even raising one hand in protest?

Do you intend to let your mothers, wives and daughters suffer all the injustices that any atheistic communist controlled Supreme Court and congress in the interest of Civil Rights, are ordering on the White women of our Great Nation! When are we going to wake up and take a stand for the rights of the *White Race?*

How in the name of God can a nation of such great wealth and intelligence as ours fall to such depths as we have! How much lower do we intend to sink? When will the Supreme Court order us to take our daughters into the ghettos and stand submissively by and watch them be violated by one African bushbeater after another!!!

Why wait, why not act before it is forced upon us?

This writer would rather see both of his daughters dead than to be forced to submit to such acts. Fathers, brothers, sons, if you consider yourselves men, stand up and take a stand against this menace to White womanhood! Let your voice be heard, and your guns if necessary! Stop this sickness before it's too late.

Let's Take Back America

WHO CONTROLS AMERICA
Editor, The Thunderbolt:

Ninety percent of the American people were against integration when the federal government and the U.S. Army shoved it down the throats of the Southern people.

Seventy percent of the American people, in a recent poll conducted by NBC television, were against busing.

Where is that government of the people; by the people; and for the people?

It is my firm conviction that the United States has been turned over by a group of effete politicians to the blacks to plunder and rape, and the Jews to hoard all the excess, and thereby bastardize and prostitute a once great country.

When Levy took over as Attorney General of the United States, all of the top cabinet posts, appointed by the mealy-mouthed Gerry Ford, will be held by Jews. And you wonder why Israel gets more attention than the people of the United States?

And the NAACP is headed and supported by Jews. The Jews try to neutralize the WASP by working in the background and setting up programs to promote miscegenation. And in this way they will come out by 1984 as the "big-brother."

FBI Spy Delmar Dennis Fired From "American Party"

Spiteful Dennis Calls American Party Leaders "Kluxers"

Delmar Dennis is the FBI informer whose only claim to fame is the fact that he was a spy inside the White Knights of the KKK in Mississippi for three years and was the principal witness whose testimony sent Klan leader Sam Bowers and 6 others to a federal penitentiary. To this day Sam Bowers still languishes in a federal prison on a lonely island off the coast of the State of Washington. This is about as far away from his relatives and friends in Mississippi that the Justice Department could move him. The chief point is that Delmar Dennis was paid $15,000 for his testimony while all those involved state to this day that Mr. Bowers and the others knew nothing about the deaths of two pro-communist Jews (Goodwin and Schwerner) andone negro (Chaney) who died in 1964 in Philadelphia, Miss. The three came down from New York City to stir up negroes against White people.

Poor Sam Bowers still has a year to serve in prison but Delmar Dennis is making his living going around blasting Bowers, the KKK, and, yes, even The Thunderbolt.

It was shortly after we published the true record of Dennis in issues #182 and #183 that the Executive Board of The American Party met. With only one dissenting vote they fired Dennis from his job as *"Public Relations Director"* of the American Party, and advertising manager of their paper, *"The American."* Dennis was officially fired for not properly doing his job. The only vote on the board of the American Party in favor of keeping Dennis was that of Tom Anderson! In fact a vengeful Dennis sent out a form letter to American Party members claiming he still has Tom Anderson's support because Tom has decided to keep Dennis on the staff os his *"American Way Features"* which syndicates his column to other publications. In a show of bitter rancour Dennis denounced the members of the *"Executive Board of The American Party"* as a bunch of *"Kluxers!"*. Actually they are not! Dennis' letter called the Board members *"cowards who hide under sheets to do their dirty work . . . I am asking that KKK influence be thrown out of our party."* He further stated that; "in my opinion I was fired because I oppose the Ku Klux Klan."

Dennis can not be trusted after the way he spied on the legal defense of Sam Bowers during the three years his case was winding through the courts, which is treachery of the first order!

DOES DELMAR STILL WORK FOR THE FBI?

No sooner than had Delmar Dennis been fired from the American Party than he was immediately rehired by Robert Welch as a full-time speaker for the John Birch Society. There are many fine members in the John Birch Society and they are beginning to question some of Robert Welch's activities which coincide with the FBI's special "COINTELPRO" program to destroy any organization which is dedicated to the preservation of the White Race.

It must be remembered that Tom Anderson has stated that he first hired Delmar Dennis on the personal recommendation of Robert Welch! Last month Dennis spoke at a meeting of the John Birch Society in Media, Penna. Half the audience was highly hostile to Dennis and openly challenged him for having pimped for the FBI. One brave Patriot stood up and told Dennis to his face; *"Judas betrayed Christ for 30 pieces of silver and you, Dennis, betrayed Sam Bowers for $15,000!"*

Members of that audience who tried to question Dennis after the meeting were turned away by three FBI bodyguards who would not even let the Birch members get clsoe to their man. One patriot reported to The Thunderbolt that Dennis himself was armed at this meeting because he saw his gun. Dennis could not have been granted a gun permit in Pennsylvania and could only carry the gun with a special permit which only the FBI and Federal Justice Department could grant him? **Therefore all this indicates that Dennis has never stopped working for the FBI.**

MONEY TALKS WITH DENNIS

We should remind readers that when Delmar Dennis testified at the trial of Sam Bowers and the other Klansmen in October of 1967 he spied on them for MONEY! The following is an exact quote from Dennis sworn testimony: *"I was interested in the money. I preach and I expect to be paid for that. But I do not preach for money. And I worked for the Bureau, and the Bureau gave me money. I expected it and I received it!"*

Delmar Dennis is still trying to make money from his work in sending Sam Bowers to prison for these many long years. Dennis has published a book called "Klandestine" in which he claims to "expose" the Klan. His Klan pimping was the subject of a major four hour T.V. presentation recently (see our film review story in issue #185). Now he has sent out a letter urging patriots to buy his book and states that he has hopes it will be made into a Hollywood movie! Dennis stands to make many thousands of dollars off the suffering of imprisoned Christian Patriots!

DENNIS DIVORCE CASE

During the trial of Sam Bowers, Dennis' first wife Mrs. Joyce Caldwell Dennis testified that Delmar was a *"habitual liar, who cannot be believed, even under oath."*

In introducing his book Dennis claims that his work for the FBI *"broke up my family"* and further that he was persecuted and *"hauled before a pro-Klan Judge."*

The so-called "persecution" was his failure to pay back child support and the pro-Klan judge was the gentleman who finally ordered Dennis to pay the $6,000 back child support! Therefore Dennis' story is nothing but a trick to gain sympathy from Patriots while at the same time he refused to use any of his FBI pimp money to support his poor family!

Delmar Dennis married his first wife on June 1, 1957. They separated on May 14, 1967. They had two children, Rebekah, age 8, and Delma, age 3, at the time of the divorce. Court records filed June 30, 1967 state the following:

"Complainant (Joyce Dennis) charges that defendant has been guilty of habitual cruel and inhuman treatment of her in that he has on numerous occasions beat her and caused her to fear for the safety of herself and her children and that he has done other acts that have caused her to be in constant fear for the safety of herself and children. That all of the above has caused her to become nervous and upset and to fear for her life, and she believes that if she continued to live with defendant (Delmar) that her safety and the safety and welfare of her children would be in great danger. That such conduct on the part of the defendant constitutes habitual cruel and inhuman treatment of her and as such entitles her to a divorce from the defendant."

After subsequent corroborative testimony from witnesses the judge ruled on Nov. 2, 1967 that; *"The court finds from the evidence that the allegations in the bill of complaint of Mrs. Joyce Denis are established, and that she is therefore entitled to the relief prayed for."*

REFUSES TO SUPPORT OWN CHILDREN

The court ordered Delmar Dennis to pay his first wife a

(**Continued on Page 9**)

Below is actual reproduction of Robert Welch-approved meeting notices for Dennis' continued attacks on the Klan. It is very interesting to note that Dennis joined the Birch Society and became an FBI spy in the very same year!

"This is The John Birch Society"

Delmar Dennis

Delmar Dennis was a Baptist preacher in Mississippi in 1964, when he made two fateful decisions. The first was to work for God and Country by joining The John Birch Society. The second was to accept a request by the F.B.I. to become an undercover operative within the White Knights of the Ku Klux Klan.

In time, Delmar was elevated to the position of Province Titan, the second highest rank within the Klan. After surfacing, his testimony in a Federal courtroom startled the nation—and led to the convictions of several Klansmen for murder. As a result, his life was threatened, and he never traveled without being armed.

But he never considered leaving the battle to preserve our freedoms. He soon became a Coordinator, and later a Major Coordinator, for The John Birch Society. His speaking engagements took him throughout the country. Now, in addition to publishing the nationally circulated newspaper, *The Christian Patriot*, he is anxious to carry a message of warning and hope and determination to anyone who will listen.

mere $50 per week to support and raise their two children. By Sept. 17, 1970 court records show that Dennis was $6,-784.00 behind in his child support payments! The court then ordered on Jan. 15, 1971 that Delmar begin paying his wife the $50 per week, plus $15 more (total of only $65) until he made up the unpaid back child support.

As late as Sept. 24, 1974 the court found that Delmar Dennis had wilfully disregarded the court's instructions and still had not begun to pay the more than $6,000 in back child support. Dennis has been cited for contempt of court and served by deputy sheriff Jimmie Lee Derrick on Oct. 5, 1974. He will face the court during its next term for what could be a jail sentence.

THIS IS THE JOHN BIRCH SOCIETY

Dear readers, we ask that you closely study the handbill advertising Delmar Dennis speaking engagements on this page. This notice, declaring *"This Is The John Birch Society"* appearing next to the large photo of Delmar Dennis had to be approved by Robert Welch himself. This notice is being duplicated and used at all of Dennis' speaking engagements nationwide for the Birch Society. If a man will not even contribute a *meager* amount to the support of his own children, his own flesh and blood, and represents Robert Welch — **then the time has come for the members of the John Birch Society to demand the resignation of Robert Welch.**

STILL A MEMBER OF AMERICAN PARTY

Delmar Dennis in his letters states that he is still a member of the American Party and has the support of Tom Anderson. This is shocking to this editor but it must be true because we have in our possession a letter by the new Mrs. Delmar Dennis that her husband still leads the American Party in Mississippi from his home in Walnut Grove. She writes that Delmar presently plans to be The American Party candidate for Governor of Mississippi in the next election. If this travesty is allowed to take place then the American Party will be in ruin in Mississippi!

As long as Delmar Dennis remains even a member of The American Party he will be an albatross around the Party's neck. After calling all of the American Party's Executive Board *"a bunch of Kluxers"* youthink he would have the decency to resign.

But that is not the job Robert Welch has in store for Dennis. If he cannot sit in the drivers seat in the American Party's office in Pigeon Forge, Tenn., then he would rather stay on as a member — to run for Governor of Mississippi — of all things! In other words its rule or ruin for Delmar Dennis. We disliked giving Delmar Dennis and Robert Welch so much of this valuable space in The Thunderbolt. But, we believed that these new facts on Dennis' sordid past should be brought to light since he is still a member of the American Party and traveling coast to coast smearing both the KKK and The Thunderbolt for the Birch Society. We feel that sincere Patriots urgently need these facts.

Patriots should demand that Robert Welch explain his continued support of Delmar Dennis!

Black Revolt

RECONSTRUCTION VS. BOLD WHITE SURVIVAL

By Carl Lyons
Atmore, Alabama

"It will be the black hand that rocks the cradle of the Confederacy this year," stated negro leader Julian Bond at the Mobile, Alabama Black Emanicipation Meeting on the first Sunday of January, 1974. Like a time fuse exploding at the appointed moment, the American Dilemma is in its gestation stage, ready to give birth to Negro political domination and political rule.

Paul Robeson, a black communist speaking to a group of Jews in 1953 stated: "It is time once again, that all good American's recognize the Anglo-Saxon image of America is a false face."

The Robeson mantle has fallen to the leaders of black coalition groups whose works have opened wide-ranging frontal attacks upon White Society. Civil Rights and Equal Rights initially began as a counterattack against a White ruled South. Today, all black leaders are virtually young, with a power base in politics, in the Congress and the growing number who hold the office of Mayor. They consider themselves the *"new breed."* They roll across the land resurrecting ancient black organizations, creating *"black summits"* and demanding more welfare for their poor.

In a small southern Alabama town a negro bricklayer averages $18,000 per year, lives in a government housing project, collects welfare and food stamps. This typically symbolizes the "black status" of living, especially in the Deep South. Negro school teachers drive more Cadillacs than do Whites. Sears-Roebuck agreement with the SCLC is a fifty percent employment for blacks, building contracts, black-owned banks to get company deposits, black publication to enjoy company advertising. In effect, the blacks are to share upward of fifty percent of all operational complex. This is one side of the ledger.

The other side shows Ralph Abernathy of SCLC, a fugitive of justice by lawlessness, and inciting riots. He works openly in interstate insurrection. Before the blood is dried on his hands he is honored with goodwill from Washington for his contribution toward equality and race mixing.

In Butler, Alabama a negress was "sacrificed" on the street to create incident and federal investigation, but Abernathy was never brought to justice. Laws are made to convict anyone considered guilty of fleeing justice, but Hosea Williams was not taken into custody by the FBI when he returned to America, in spite of a standing warrant for his arrest.

The principles of choice behind black insurrection shapes the story of meaning without variants. In all appearance, civilization is recasting myths and legends in the fabulous realm of the human imagination. What is absurd, barbaric, comic, grotesque or sentimental coming from priests and poets does not change the moral conduct, or elevate the dignity and eloquence of Ralph Abernathy and his stereotyped contemporaries of Jesse Jackson, Julian Bond typed people. History can only record the savagery, the bizarre candor and philandering of a black god (Martin Luther King) in classical black power. Time and cycles are fixed natural phenomena, and the immortality of black power will recede **when WHITE POWER performs its destiny.**

Below reprinted from "Chicago Sun-Times."

I might back violent movement: Abernathy

ATLANTA (UPI)—The Rev. Ralph D. Abernathy, head of the Nonviolent Southern Christian Leadership Conference, said Thursday he would "give serious consideration" to a violent movement" if he could be assured that blacks wouldn't be the only ones killed in the action.

Abernathy

"I'm not saying that I would join it," he said, but I would "really study it."

"We have a lot of rhetoric about violence," Mr. Abernathy said on a radio talk show (WRNG), "and that's all we have. If there is a program of violence that would really move into areas other than the black community, burning down the black community and killing the black people, which has been the history so far, then I would give serious consideration to that movement."

THE UPRISING OF THE WHITE, ARYANMAN

Oh white, aryan man,
the test you now must face;
Your enemies have swarmed your beloved land,
determined to destroy your race.
Bushy-headed black savages,
run rampant in the street;
Your wife, sister or mother he ravages,
How long, white man, will you cower and retreat?
While the black plague infests our land,
We're struck by the Zionist clinched fist;
Oh, how long will you sleep white aryan man,
before ridding these parasites from your midst?
Jewish treachery and deceipt,
black violence in the street;
How much longer will you run,
proud sons of the White Race?
Will you remain forever complacent,
while you watch your proud race mongrelize;
But there's the challenge, will you face it,
and break free from this Jewish vise?
Does your Viking blood run hot,
will you pick up the sword and shield;
Or will you run and fight not,
and flee from this racial battlefield?
Oh, white aryan man,
how long will you cringe with fear;
While black savages destroy your land,
and kill your white brothers, far and near?
Oh, proud sons of King Arthur,
and his knights of the table round;
Does the singing sword, Excalibur make your Aryan heart stir,
and do you swell with pride when reading of Sir Lancelot's deeds renown?
Pick up the shining Norseman's shield,
and his glittering, sharpened spear;
Ride on into this racial battlefield,
and make your enemies flee with fear.
From the Mediterranean Sea to the fiords of Norway,
from Estonia to the white cliffs of Dover;
Can't you hear your proud, white ancestors say,
"Stand and fight until this crucial struggle is over!"
If through your veins flows the blood of Vikings,
or of fierce Germanic tribes;
If your ancestors were Anglo-Saxon kings,
their past glory, white man, into battle with you rides.
Oh, brave warriors of the White race,
be proud of your white Aryan heritage;
Now, in America, is the time and the place,
consider this death-struggle a sacred privilege.

Our Taxes Squandered

TAX MONEY FOR STUDY OF SOUL FOOD!

The federal government has issued a $175,000 federal grant for the study of negro "soul food." Negro Prof. Moses Vaughn said they will study the nutritional value of such favorite dishes of his people as chitterlings (hogs intestines), pigs' ears, knuckles and feet, hog maws, neck bones, pig lips and tails.

The USDA approved the grant for the Dept. of Agriculture. Your editor could have saved the taxpayers all this money because we could have told them the nutritional value of this food is ZERO! Next they should study the negro's favorite dish called "long pig" in Africa. This is the cooking and eating of a human body in its entirety. It is gaining in popularity since the expulsion of Whites from many of the "newly independent Black nations" in Africa.

Bible Condemns Interracial Marriage

By Rick Norton

WHAT'S WRONG WITH INTERRACIAL SEX?
By Rick Norton

What's wrong with interracial sex? Well, interracial sex is **immoral** and **unscientific.** Also, interracial sex has destroyed many civilizations.

What dark races have ever contributed anything to civilization comparable to the light bulb, the airplane or the automobile? A famous US Senator once stated that all our armies, cities and machines could be destroyed — and we could rebuild. But he went on to say that the White Christian Race could never be restored if it were destroyed through racial mongrelization. Whether the present American ruling class (mostly Jewish) likes it or not — the differences between White and dark people are more than skin color.

The American public is slowly waking up to the fact that interracial sex is being promoted by Jews. The average man in America may not yet understand *why* Jews promote interracial sex. But nevertheless, the awakening is accelerating — as has been shown by recent developments in West Virginia and Boston.

While Jews urge Whites and Blacks to engage in interracial sex — they tell their fellow Jews to marry only other Jews! (Figure 1)

When schools are integrated — by busing or other means — black teenagers soon start dating whites.

In 1974, the US Senate had a chance to stop racial busing — but it was defeated by one vote. So interracial mating is accelerating. Racial busing leads to interracial sex and mongrel babies. The accompanying photograph shows yiddish lawyer, Jack Greenberg, who has been heading the NAACP legal fund, as he explained how interracial busing would take place in Houston, Texas.

When the US Supreme Court (headed by Earl Warren, who admittedly had learned most of his law from the yiddish *Talmud)* first ordered racial integration in 1954 — it had to be enforced by bayonets. (Figure 3)

But 20 years later, in 1974, most young people had been so brainwashed by yiddish-manipulated TV shows such as "Julia," "The Rookies," and "Maude" — that it is no longer necessary to use bayonets.

Abraham Lincoln Opposed Interracial Sex

Although Lincoln freed black slaves — he also had made plans to ship them out of the United States — and was totally against interracial sex as the following quotation makes clear: Lincoln stated *"I will say then that I am not, nor ever have been in favor of bringing about in any way the social and political equality of the white and black races (applause) . . . that I am not nor ever have been in favor of making voters or jurors of Negroes, nor of qualifying them to hold office, nor to intermarry with white people; and I will say in addition to this that there is a physical difference between the white and black races which I believe will forever forbid the two races living together on terms of social and political equality."* (*Collected Works of Abraham Lincon,* edited by Roy P. Basler, Rutgers University Press, 1953.)

The Bible Forbids Interracial Sex

Jesus Christ stated in Matthew 15:24 that he was not sent *"but unto the lost sheep of the House of Israel.*: Top Bible Scholars have learned that Jesus was referring to the people we today know as Caucasians. Thus, Jesus came *only* for Caucasians — but gave non-Caucasians assistance under certain conditions specified in the book of Matthew.

In the Bible, we are repeatedly warned against racial integration — and especially against interracial sexual relations. Some of these warnings have been overlooked because of poor translations from Hebrew and Greek. So let us examine certain Biblical quotations. Let us carefully note the exact meaning of the words used in the original Hebrew and Greek.

From the very beginning, the commandment not to permit mongrelization was strongly emphasized. For example:

Exodus 16 — *"So shall we be separated, I and all of Thy people, from all the people that are upon the face of the earth."*

Leviticus — *"I am the Lord thy God, which have separated you from other people."*

Joshua 23:12-13 *". . . if ye do in any wise go back and cleave unto the remnant of these nations, even these that remain among you, and shall make marriages with them, and go in unto them and they unto you: know for a certainty . . . that they shall be snares and traps unto you".*

Deuteronomy 7:3 — *"Neither shalt thou make marriages with them: thy daughter thou shalt not give unto his son, nor his daughter shalt thou take unto thy son."*

RICK NORTON, left, with his "Crusaders" demonstration against illegal immigration. Active Patriot Tom Metzger is on the right.

Many warnings are given in the Bible not to mate with "the stranger." But the Hebrew words translated "stranger" in these verses are "ZUWR", "NEKAR", and "NOKRI" — and each one means a person of different race from ours.

Mongrelization

The reason for the warning is clear: Mongrelization is the worst form of "Genocide". If you kill 99% of a race, but leave the other 1% pure-blooded, they will in time restore the race; but when you mongrelize them, you have destroyed that race eternally. Once mixed with the Black or Yellow Races, the White Race would be totally and forever destroyed. Hence, God has forbidden it.

Noah was saved because he was pure-blooded, while those around him were Mongrelized. Genesis 6:2, 4-5 records the forbidden mixing of races, and the evil results thereof. But of Noah, Genesis 6:9 states: "Noah was a just man, and perfect (Hebrew 'taw-meem' — without blemish) in his generations (Hebrew 'to-led-aw' — descent, ancestry). Hence, Noah and his family were saved while the mongrels were wiped out.

Mongrelization is the sin for which Sodom and Gomorrah were destroyed!

Jude 7 — *"Even as Sodom and Gomorrah, and the cities about them in like manner, giving themselves over to fornication, and Going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire."*

Those who seek to force integration in the schools and churches are now beginning to admit that their real purpose is to bring about interracial sex. The unfortunate children of such unions are not the guilty ones, of course: the sin is that of their parents. Yet the fact that they cannot help what they are does not change the permanent fact that they are what they are. The experience of thousands of years has demonstrated that the dark races do not have what it takes to produce the White Man's high civilization: they have never had it in their own lands, and they only have it here because we, the White majority, make it so. The mixed breed is the same: it does not have in proper measure those qualities which God so carefully implanted in the White Race to carry out certain purposes which He has assigned to them.

Recognition that God, Himself, made the races different does not imply hatred or contempt for any of them: difference has its purposes, which must be respected. I do not expect the family cat to sing like a canary, nor the canary to keep mice out of the kitchen; if I went quail hunting, I would not expect a horse to point quail for me, neither would I try to saddle and ride the best hunting dog in the world. All the family pets are loved, and none is despised because he can't do what some other does; but each has his own purpose, and trying to mix them up or interbreed them can only harm them.

I know that there are many people to whom these facts are new. There are also many who have learned the evil lesson that they can get more money or more political popularity by violating these laws of God than by obeying them. Some of you may not like to be reminded of these things. But remember, I did not write the Bible: God wrote it, through His prophets: and His commandments are always right. For our own good, for the very survival of our White Race upon the earth, and that we may face our God with a better conscience, we had better obey these laws of God."

THE MYSTERY OF "JEWISH RITUAL MURDER" JACK THE RIPPER

A new book has just been published in England entitled *"Point of Arrival,"* by the well known Jewish writer Chaim Bermant. The book tells of Jack the Ripper who terrorized London in 1888. The Ripper murdered five prostitutes by slitting their throats from ear to ear, in the same manner as the Kosher ritual slaughter of animals by Orthodox Jewish butchers.

This was also the identical manner by which Christian children were slaughtered by certain Orthodox Jewish sects during the "Dark Ages" and up until the period immediately after World War One. Jack the Ripper was never caught but Chaim Bermant quotes the Assistant London police commissioner who said of the unknown murderer that *"He was a Polish Jew — I am merely stating a definitely established fact."*

Some may wish more information on the long suppressed history of these black events! There exists only one book in English which details the known facts of the various cases of Ritual Murder which came to light during those times. It is *"Jewish Ritual Murder"* by Arnold Leese. Now rare and hard to get, it is obtainable from "The Thunderbolt" for $1 per copy.

Are We Growing? — Can We Win?

DR. EDWARD R. FIELDS, Editor of "The Thunderbolt."

WELFARE RIP-OFF

An HEW report issued last month states that the taxpayers lost some $3 billion in welfare to people who were not eligible. It also stated that millions in food stamps were given to persons not eligible. The report further stated; *"These payments to people who are not eligible one way or another — or overpayments — just can't be justified to the taxpayers."* The time has come to put a stop to this highway robbery of the American working people!

Frequently Asked Questions
By Dr. Edward R. Fields

As editor of *The Thunderbolt* I travel all over the country and meet with thousands of Patriots. I address almost one new meeting in a different city every week. Wherever I go there is one common question that is asked repeatedly by many concerned supporters. **Are We Growing** and **Can We Win?**

The answer is an emphatic YES! We are most definitely growing and at a more rapid rate than at any time in our past. Meetings are larger, friends are more enthusiastic and new people joining us. Orders for books and extra copies of The Thunderbolt are increasing and every issue sells out. Two issues we failed to print enough extra copies were the one on Nelson Rockefeller's ancestry and edition on Jewish infiltration of our churches. We will report this news again in a future issue, because we had to send out credit letters for thousands of extra copies for orders we could not fill.

The volume of mail here at Headquarters has greatly increased and we know the enemy is immensely worried. (Note: "Jewish Press" article in our last issue #185 where a JDL leader stated, *"the NSRP must be crushed before they crush us!"*)

So, back to the original question, **Are We Growing?** Here is the proof, between issue #184 and #185 our paid circulation increased by over 600 new subscribers! For an understaffed, struggling, fighting Right-Wing movement this is a tremendous jump forward! We doubt that any other group made similar gains in a short two week period!

All we can say to our supporters is that we are literally working around the clock, traveling, speaking at meetings, writing articles all night long — In Order To Provide You with the Vehicle by Which You Can Awaken America!

We are nothing without you — your devotion to this cause — your sacrifice in financial donations or street work in reaching new converts with The Thunderbolt!

Remember that things often look darkest before the dawn. The communists are winning in Cambodia and South Vietnam. They have taken Portugal and threaten other nations while Henry Kissinger keeps saying we need more "Detente" to learn to cooperate with our most deadly enemy! People everywhere are beginning to realize that we have been SOLD-OUT! Schools, preachers, T.V., movies and the news media are pushing Race-Mixing harder than ever before.

People everywhere know that something is dreadfully wrong with America's leadership. They long for the TRUTH and the opportunity to join with their fellow White Christian brothers to save our Race and Nation while there is yet still time. Your outstretched hand can lead them to the awakening that can Save America! Can We Win — Yes! The Power is in Your Hands Through The Thunderbolt!

If you are new, rush your subscription in today. If you have been just reading but not Acting, order some books or extra copies of The Thunderbolt today for distribution. Don't let it end there, make sure they subscribe. Urge them to get that new sub in — help them overcome natural procrastination by collecting their sub for them and sending it in. Help your friend over come hesitation by getting them on our list.

Yes, we can win by keeping the chain growing, by building this movement into a snowball effect whereby we will continue to build and become ever more powerful. When that great day comes we will be able to reclaim America, and our birthright, which our forefathers intrusted unto our safe keeping. Now is the time to stand up and get to work. Yes, its a hard struggle, but we have everything to gain by winning. Sheer Will Power will determine the final outcome of this historic battle. We invite you to climb aboard The Thunderbolt bandwagon with thousands of your Racial Brothers for the March to Victory!
